

INSTALLATION INSTRUCTIONS

NATURE Shelf
NATURE平台安裝說明

PATENT NUMBER:
專利號碼:
008339238-0004

1. Select proper position for product, mark centers of mounting holes on wall with **Tempalte**, and ensure the centers of mounting holes of **Fixing Bracket** on wall vertically.
請先使用對位紙在牆壁上畫預定鑽孔記號，確認固定基座鑽孔的位置是否垂直,及對位紙孔位是否正確.

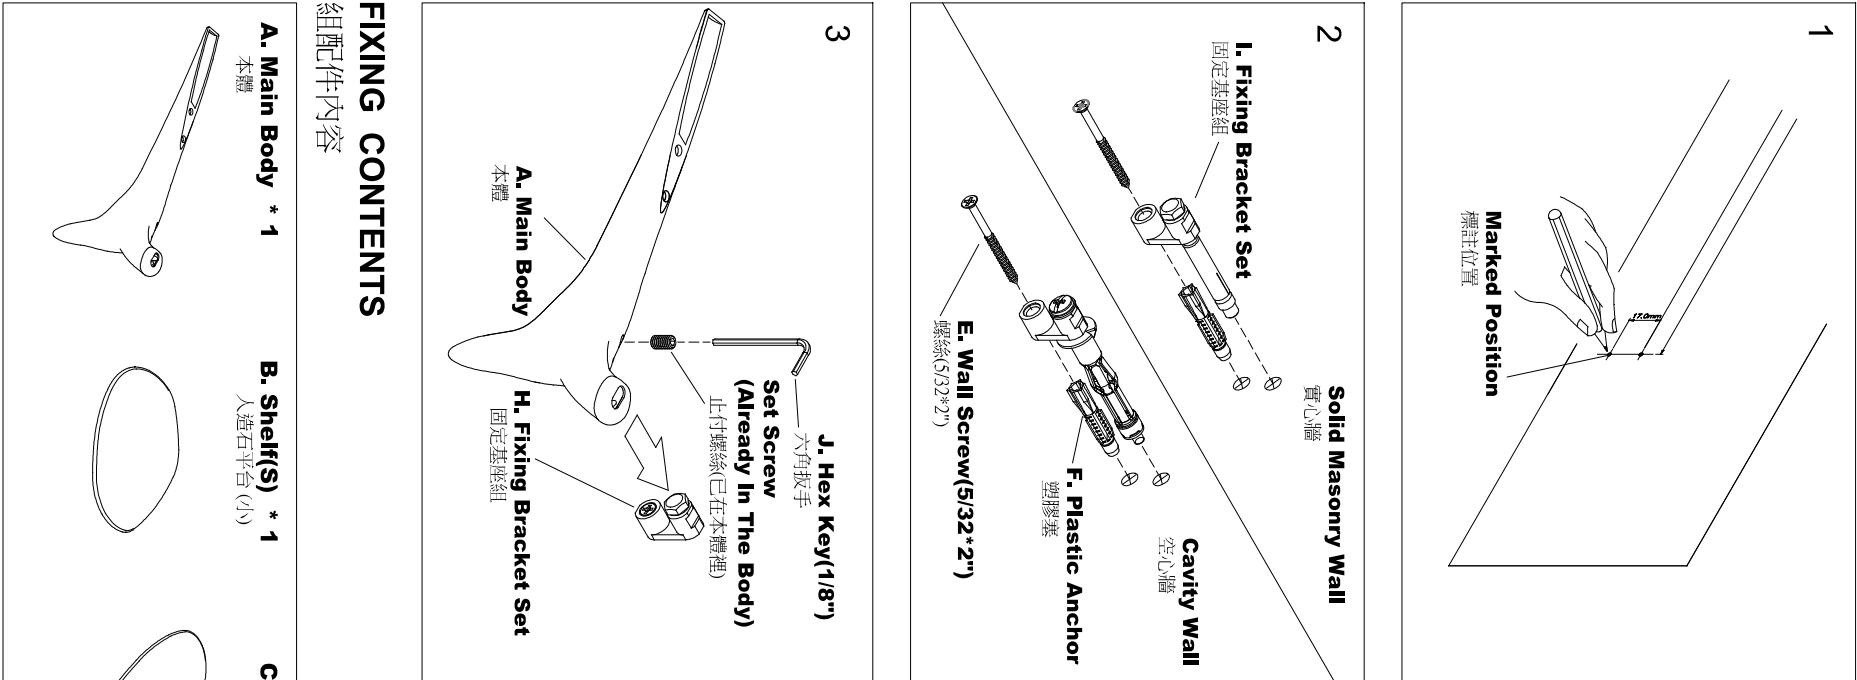

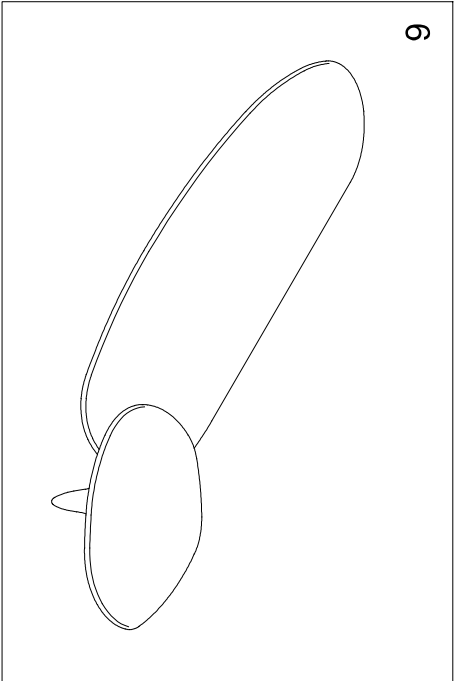

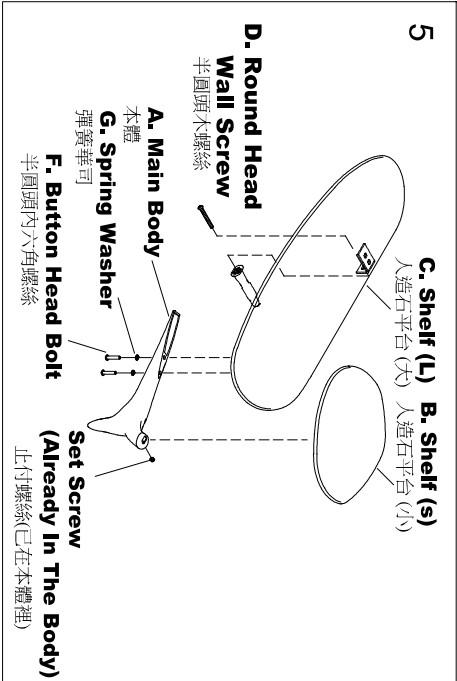

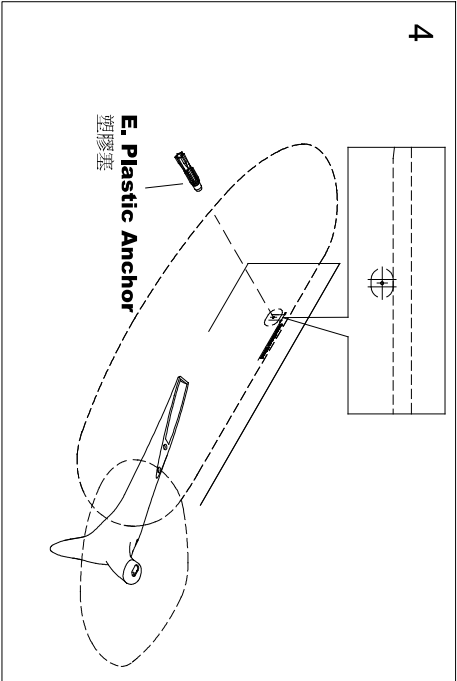

2. Using an 8mm drill-bit, drill the upper hole (For **Rawlbolt**) of **Fixing Bracket** in marked position to a depth of 5cm; using an 6mm drill-bit, drill the lower hole (For **Plastic Anchor**) of **Fixing Bracket** in marked position to a depth of 5cm. Insert the **Plastic Anchor** to the lower hole on the wall first, and then insert the **Rawlbolt With Fixing Bracket** to the upper hole. Fix the **Fixing Bracket** with **Rawlbolt** and **Wall Screw (5/32x2")**.
使用8mm鑽頭，鑽固定基座上面的孔，鑽孔深度5公分，使用6mm鑽頭，鑽固定基座下面的孔，鑽孔深度5公分。先將塑膠塞嵌入至固定基座下方孔並齊平於牆面，再將膨脹螺絲＋固定基座組嵌入至上面的鑽孔至固定基座齊平於牆面即可，將固定基座以膨脹螺絲及螺絲(5/32x2”)鎖固在牆上.

3. Slide **Main Body** over **Fixing Bracket** and then tighten **Set Screw** of **Main Body** by **Hex Key (1/8")**
將本體對準固定基座裝入並貼緊牆壁，再使用六角扳手(1/8”)鎖緊本體的止付螺絲.

4. Test-fit the artificial stone **Shelf** on the **Main Body** to verify the drilling location for the **Support bracket**. Once confirmed, use a 6mm drill bit to drill a 5cm deep, hole and then insert the **Plastic Anchor**.

試放置人造石平台確認支撐件預定鑽孔位置是否正確，確認沒問題後，於最後依定位紙 確認位置使用6mm鑽頭，鑽孔深度5公分並安裝塑膠塞

5. Lightly tighten the **Button Head Bolts** by **Hex Key (2.5mm)** through the **Main Body** onto the **Shelf(L)** with **Spring Washer**. then install the **Support bracket** beneath the **Shelf(L)** with **Round Head Wall Screw(#4*38.1mm)**. Finally, fully tighten the **Button Head Bolt** onto **Shelf(L)** and **Set Screw** onto **Shelf (S)**.
使用六角扳手(2.5mm)將半圓頭內六角螺絲與彈簧黃司對準本體下孔穿過，並輕鎖人造石平台(大)下螺絲孔，然後半圓頭木螺絲經人造石平台(大)下方支撐孔鎖入塑膠塞固定後，再將半圓頭內六角螺絲鎖緊固定，另將人造石平台(小)用止付螺絲鎖固安裝置本體圖示處.

FIXING CONTENTS

組配件內容

A. Main Body * 1 本體	B. Shelf(S) * 1 人造石平台 (小)	C. Shelf(L) * 1 人造石平台 (大)	D. Round Head Wall Screw (*#4*38.1mm) * 1 半圓頭木螺絲(#4*38.1mm)	E. Plastic Anchor * 2 塑膠塞	F. Button Head Bolt * 2 半圓頭內六角螺絲	G. Spring Washer * 2 彈簧華司	H. Rawlbolt With Fixing Bracket * 1 固定基座組	J. Hex Key(1/8") * 1 六角扳手	K. Hex Key(2.5mm) * 1 六角扳手
