

Freestanding Soap Dispenser 6781-26-80CP

INTRODUCTION:

Ether Freestanding Bathroom Accessory Set has been inspired by the image of the cloud, where we represented it with a curved surface, polished chrome finish, and transparent containers to bring the fantastic refraction of bathroom lightings.

JUSTIME Ether accessories benefit every single user with a combination of excellent quality, precise workmanship, innovation and beautiful shapes. The overall design concept is based on the idea of ether - an unlimited medium filling all space. Smooth lines and soft characteristics signify the aura of ether, which moves like an ever-present ocean current. The unique design of ETHER breaks traditional ideals and established shapes, bringing this freestanding soap dispenser to a new artistic level.
